Keysborough.

Mr J. Chew,
7 Foukin Ave,
Balwyn, Vic., 3103
2nd July 2001

Dear Sirs,

I write on behalf of my mother, Madam Koo Yoon Yook. She has stomach cancer with the tumour bleeding badly. I am giving her regular doses of your silver colloid. Since starting the silver she is having less pain and wind. The tumour also seems to be bleeding less. Thank you for your product.

Yours truly,

J. Chew.
